ATTENTION HORSEMEN: Please remember to assign digital certificates to Santa Anita. All foal certificates, digital or paper, must be in the office by scratch time or the horse may be scratched from the race, unless stewards permission is given.

ATTENTION TRAINERS: Reminder all lip chains must be wrapped.

ATTENTION HORSEMEN: During morning training, when the warning system has been activated, all riders must immediately slow their horse to a jog, giving the outrider and any loose or injured horse the maximum amount of track space possible, to maintain safety. The warning system shall stay activated until the situation has been contained and the track has been cleared by the outrider and deemed safe to resume normal training. Only when the warning system has been deactivated may a rider resume normal training.

ATTENTION TRAINERS: All newly turned 4-year-old first time starters must work 5 furlongs in 1:03 or better for an official California regulatory veterinarian and MUST have blood drawn within 60 days of entry.

Horses off more than 120 days, but less than 1 year, require a five furlong work and must have an official SA vet exam within the last 14 days. Horses which have not raced for a year or longer must work for the vet (1:03 or better) and have blood drawn.

Requests for workout corrections can only be made within 24 hours. Check the work tab and call the clockers and stewards if changes are necessary.

All horses must meet workout requirements at time of entry. Also please check work tab for horses that appear on a list before entering.
