Here are my preliminary picks where we will use Thorograph Numbers and Data (TG) as the main criteria for our analysis.

Race 1 4 – 1 – 2

#4 Empire's Classic – The race two back can win this. This is a very competitive race. **#1 Promissio** – His overall TG numbers are mighty strong. Another one of many that can win this opener. **#2 Dealers Special** – That last race was a dud, but he is much better than that.

Race 2 1 – 5 – 2 The best bet of the day!

#1 Dancing With Shari – This filly is one of the most probable winners on the day. Her TG numbers tower over the rest of these. She also takes what appears to be a needed drop. She should crush these. **#5 Howmanymoretimes** – She takes the all-important drop from MSW to MCL. If she can run at all she figures to show it today. **#2 Susie's Loaded** – She is the speed of the race. If she gets an uncontested lead she could get brave late.

Race 3 3 – 1 – 2

#3 Jacklyn Lucas – She has finished second in 2 straight. She is sitting on a win. Today is cap and gown day. **#1 Big Vengeance** – He showed unexpected speed last time out and earned a very good TG number. If he repeats that last race he should contend here at a price. Very dangerous. **#2 Throwthefirstpunch** – He looks like the best than the rest.

Race 4 1 – 7 – 4

#1 Shady Gem – I'm going with a longshot in this race. This guy has stopped badly in 2 of his 3 races. But... He has achieved the lead in all of them and has almost held on in one. He just did a monster workout before this and I think he can go all the way at a price. Catch him to win. **#7 Cano for the Win** – He has had a lot of chances but is still a maiden. He's a dilemma for me, but he can easily win. **#4 Chapter One** – Fits perfectly at this level. Essential in the trifecta.

Race 5 1 – 2 – 8

#1 Bee Eye Gee – His last race was good enough to compete here. But his previous two races would EASILY win here. He takes a drop in class and is definitely the one to beat. **#2 Day At the Track** – His overall TG numbers are amongst the best in the field. Almost assuredly will make the trifecta. **#8 Precision** – Throw out that last race which was on the dirt. He is much better on grass and will make some noise here.

Race 6 **3 – 5 – 4**

#3 Constitution Andi – I am taking a longshot here that I had on my watch list. This one took very sneaky action last time out and was as rank as could be throughout that race. He just never looked comfortable. He also got checked a couple of times and it was just an awful run. In spite of that she still managed to run an excellent third. Yes he is still a MAIDEN! Sure, a couple in here have much better TG numbers. But I am going to take a swing. **#5 Decisive Win** – He comes in with a sensational TG number having won his last race by 5 big lengths. He is extremely dangerous. **#4 Secured Freedom** – This will probably be your favorite and sure he can win this. He might win this in a landslide. He has faced Graded company 3 times in a row and ran superbly in all of them. He also has a bullet work leading into this. ALL things point to this one winning this for fun. But I am gonna have some fun with the maiden...hopefully!

Race 7 **8 – 2 – 9**

#8 Nikolina – He has won 2 of his last 3 and the other was a second place. His TG numbers are strong and deserve to be the favorite. **#2 Not a Sinner** – He's traded blows with a few here and defended well, including a win over a pair. Watch out today. **#9 Miss Mandalay** – The only time JJ rode this one was a win. Today he gets back on board and that could make a difference.

Race 8 **5 – 8 – 2**

#5 Ballyvaughan Gig – That last race was startling. Clearly the one that must be defeated. **#8 Warm Sun and Brew** – Super strong TG numbers. It is a clear and present danger. **#2 Frank Bullitt** – I should be flying late.

Aquí están mis selecciones preliminares donde utilizaremos los Números y Datos de Thorograph (TG) como criterios principales para nuestro análisis.

Carrera 1 **4 – 1 – 2**

#4 Empire's Classic – La carrera de dos atrás puede ganar esto. Esta es una carrera muy competitiva. **#1 Promissio** – Sus números generales en TG son muy fuertes. Otro más de muchos que pueden ganar este partido inaugural. **#2 Dealers Special** – Esa última carrera fue un fracaso, pero es mucho mejor que eso.

Carrera 2 **1 – 5 – 2** **¡La mejor apuesta del día!**

#1 Dancing With Shari – Esta potrancia es una de las ganadoras más probables del día. Sus números TG superan al resto. También toma lo que parece ser una gota necesaria. Debería aplastar estos. **5 Howmanymoretimes** – Ella pasa la importante bajada de MSW a MCL. Si es que puede correr, hoy lo demostrará. **#2 Susie's Loaded** – Ella es la velocidad de la carrera. Si consigue una ventaja sin oposición, podría ser valiente al final.

victoria sobre un par. Cuidado hoy. **#9 Miss Mandalay** – La única vez que JJ montó esta fue una victoria. Hoy vuelve a subir a bordo y eso podría marcar la diferencia.

Carrera 8

5 – 8 – 2

#5 Ballyvaughan Gig – Esa última carrera fue impactante. Claramente el que debe ser derrotado. **#8 Sol Cálido y Cerveza** – Números TG súper fuertes. Es un peligro claro e inminente. **#2 Frank Bullitt** – Debería volar tarde.
