**DEL MAR, Calif. (Oct. 27, 2021)** — The Breeders' Cup announced today the official order of races and wagering menu for the 2021 Breeders' Cup World Championships, scheduled to take place on Friday, Nov. 5 and Saturday, Nov. 6 at Del Mar Racetrack in Del Mar, Calif. There will be a total of 10 races (five Breeders' Cup races) on the first day of the Championships – “Future Stars Friday” – and 12 races on the Saturday program (nine Breeders' Cup races). The Friday program begins at 11:55 a.m. PT with five undercard races. The Breeders' Cup Juvenile Turf (G1) (Race #10) will be the final race of the day, which will have a post time of 5:30 p.m. PT.

Championship Saturday's first post is 10:15 a.m. PT and begins with three undercard races. The day will conclude with the \$6 million Longines Breeders' Cup Classic (G1) (Race #12), which will have a post time of 5:40 p.m. PT.

This year, a total of 19 countries from around the world, including Canada, France, Ireland, Germany and the United Kingdom, will be offering pari-mutuel, commingled pool wagering on the Breeders' Cup World Championships. Eight other jurisdictions will be offering separate pool wagering, including Australia, Argentina, Brazil, Chile, Hong Kong, India, Japan and Mexico.

“As a global property with horses competing from all corners of the world, we are pleased to be able to offer commingled pari-mutuel wagering for bettors across 19 countries,” said Drew Fleming, Breeders' Cup President and CEO. “This provides strong liquidity for our pools and maximizes value for our world-wide customers. We are also appreciative and honored to have Hong Kong and Japan included in wagering this year, which demonstrates the opportunities available to every jurisdiction when we work together to globalize our sport.”

The 2021 wagering menu will include a new All-Turf Pick 4 on Saturday that will package four of the best turf races in the world together with full fields of international competitors. The

four races, in order, are the Breeders' Cup Turf Sprint (Race 5), Maker's Mark Breeders' Cup Filly & Mare Turf (Race 7), FanDuel Breeders' Cup Mile (Race 9), and the Longines Breeders' Cup Turf (Race 11).

Also, for the first time, the Breeders' Cup will offer a third, middle Pick 5 on Saturday, starting with Race 3. The early Pick 5 will start with Race 1 and the late Pick 5 with Race 8. Last year's late Pick 5 on Saturday generated a \$5.1 million pool while the late Pick 4 offered a \$4.3 million pool. The last time the Breeders' Cup was held at Del Mar in 2017, \$166 million was wagered on the two-day World Championships.

  - Juvenile Fillies/Distaff on race 10 Friday with race 11 Saturday
  - Juvenile/Classic on race 9 Friday with race 12 Saturday
- Breeders' Cup will offer a unique Super High 5 bet that will be available on every race – undercard included – during its two-day race card. Breeders' Cup initially planned to conduct the bet under ARCI rule 004-105(X) (5) Option 4 that would have seen it paid out with 25% return of the major share and 75% to the minor share. Subsequently, it has been changed to offer a 100% payout with no consolations under ARCI rule 004-105(X)(4) Option 3. This results in a "rolling" Super High 5 that carries over to the next race if there are no winners, all the way forward to the final race on the Saturday card – the Longines Breeders' Cup Classic – where a mandatory full payout will be in effect.
