| | 3/8 | SA 4f :47h B | Graydar gelding was leaning out just a bit through the lane but was never really asked in solo half mile drill, final three furlongs in :11.2 and :35 flat for Ortiz. Looks to have some speed and could be dangerous if not pitched too high first time out. VIDEO:  | | |

| | 3/6 | SA 4f :49h TT C+ | Hal mile training track drill for Blacker, ridden some through the lane to finish in full stride, final three furlongs in :12 flat and :37.1. Seems about the same, flashed speed before weakening late at 76-1 in debut vs M50,000 Cal-breds in debut. VIDEO:  | | |

Race #2

Maiden Special Weight - 7F D

FOR MAIDENS, THREE YEARS OLD AND UPWARD. Three Year Olds, 118 lbs.; Older, 126 lbs..

| PGM | PP | RUNNER | JOCKEY | TRAINER | M/L |
|-----|------|---------------------|---|-------------|------|
| 1 | 1 | Johan Zoffani [IRE] | Ricardo Gonzalez | Dan Blacker | 6/1 |
| 2 | 2 | Eyes Open | Juan Hernandez | Dan Blacker | 3/1 |
| | 2/26 | SA 5f 1:01.2h B- | Worked outside Ballet de Cour (same time) in main track team drill for Blacker and may have been a tad the best while stride-for-stride throughout. mild coaxing only, splits of :24.2, :36 flat and 1:01.1, decent enough for maiden daughter of Street Sense. Probably most comfortable sprinting on dirt after faltering badly two-turning on grass last time out. VIDEO:  | | |
| 3 | 3 | Barraza | Abel Cedillo | Bob Baffert | 5/2 |
| | 3/8 | SA 5f 1:00h B | In blinkers. worked inside Best Bet (same time) for Baffert and went stride-for-stride throughout. neither one asked much, final half mile in :23.1 and :48.4. Has some speed, probably can't beat a real good maiden but it may take a decent sort to beat him. VIDEO:  | | |
| | 2/27 | SA 5f :59.1h B | Team drill with Freedom Fighter (same time) breaking off a length back outside and finishing a neck back at the wire while being asked through the lane (as was 'Fighter), splits of :24 flat, :35.2 and :59.2, decent for the maiden son of Into Mischief. Not one of the barn's better 3-year-olds at this stage but has room for improvement. VIDEO:  | | |
| 4 | 4 | Ivory Sky | Geovanni Franco | Ruben Gomez | 20/1 |
| 5 | 5 | Triple Tap | Flavien Prat | Bob Baffert | 4/5 |
| | 3/7 | SA 5f :59hg B+ | Three-year-old half-brother to American Pharoah worked from gate with Myopic (5f, 1:01.3hg) and left that one far behind, splits of :23.3, :35.1, :47.1 and :59.2 on our watches before coasting to the wire in 1:13.2, quite nice, best we've seen him look. May have a bit more early speed than we originally thought but definitely strikes us as a colt who'll eventually enjoy a distance of ground. Plenty fit by now and will be very live at first asking. for sure. VIDEO:  | | |
| | 2/27 | SA 6f 1:11.1h B | In blinkers, Tapit colt worked outside stakes-winning Medina Spirit (same time) for Baffert and was second best while about a length behind at the wire and then about the same margin back at 7/8 pole, splits of:23.1, :34.4, :58.4 and 1:11.1 on our watches, doing his best to the end. Fairly promising, maybe a second-level type of maiden compared to some of the others in the barn. Doesn't strike us as a particularly fast colt, maybe will show his best with some distance to work with. VIDEO:  | | |
| | 2/18 | SA 5f :59.3hg B | In company outside Money Mike (same time) for Baffert in team gate drill with splits of :24.1, :35.2, :47 flat and :59.3. slightly best without undue urging before easing to the wire in 1:15.2. Three-year-old unraced Tapit colt is getting fit, decent type at this stage, maybe. VIDEO:  | | |

| 2 | 2 | Mac Daddy Too | Flavien Prat | Leandro Mora | 3/1 |
| 3/6 | SA | 5f | 1:01.3h | B | Solo five furlong drill for O'Neill, splits of :11.4 and :37 flat for the final three furlongs, easy all the way. Was scratched Feb. 27 but worked the same day at SLRD and looked fine here. Prefers grass. VIDEO: |
| 2/20 | SA | 5f | 1:00.1h | B+ | In company outside Wildman Jack (same time) for O'Neill and was stride for stride most of the way without really being asked, final half mile in :23.2 and :48 flat, solid main track spin for sophomore colt. Has shown a preference for turf in the p.m. and is dangerous as the controlling speed going long, VIDEO: |
| 3 | 3 | Gator Shining | Geovanni Franco | Richard Baltas | 7/2 |
| 4 | 4 | Positivity | Abel Cedillo | Patrick Gallagher | 12/1 |
| 3/7 | SA | 5f | 1:03h | C+ | Solo main track drill for Gallagher, mild coaxing through the lane, splits of :24.1 and :49.4 for the final half mile, nothing special. Was a stakes winning Cal-bred as a 2-year-old but hasn't really progressed much since. VIDEO: |
| 5 | 5 | Party Game [IRE] | Jessica Pyfer | Jeff Mullins | 4/1 |
| 6 | 6 | Coulthard [IRE] | Tiago Pereira | Philip D'Amato | 8/5 |
| 3/7 | SA | 5f | 1:00.1h | TT B | In blinkers, worked inside Acoustic Shadow (5f, 1:02.1h TT), was a bit rank entering the far turn but then was turned loose and left workmate far behind, responding to urging in the final stages, :23.3 from the quarter pole home. Won his U.S. debut from maidens in clever fashion and appears to have come on from that outing in good style. Might be most comfortable as a late-running turf sprinter and should be competitive on the raise. VIDEO: |

Race #4

Starter Allowance - 6F D

FOR FOUR YEAR OLDS AND UPWARD WHICH HAVE STARTED FOR A CLAIMING PRICE OF \$25,000 OR LESS IN 2020 - 2021. Weight, 124 lbs. Non-winners Of A Race Since December 13 Allowed 2 lbs..

| 4 | 4 | Elektronic | Eswan Flores | Hector Palma | 5/1 |
| 3/1 | SA | 4f | :47.3h | B- | In blinkers this time, tons best over Unilateral (4f, :49h) in main track drill for Palma, going off fast and then finishing under mild coaxing, final quarter mile in what we'd have to describe as just average, :25.1. Seems in okay shape, hard to say how he'll fit on this circuit; will be seeking some of that ship-and-win money when he makes his local debut soon. VIDEO: |
| 2/13 | SA | 5f | :59.2h | B | Worked alone in main track drill for Palma and was let run and urged through the lane, a bit late changing leads but finishing okay, final three furlongs in :11.2 and :36.1. Woodbine invader has done all of his racing either on grass or synthetic, was a \$25,000 claim last summer so he has starter's allowance conditions should his connections so desire. VIDEO: |

| 4 | 4 | Tropical Terror | Abel Cedillo | James Cassidy | 2/1 |
| 3/4 | SA | 5f | 1:02.3h | TT C+ | In blinkers, solo five furlong training track drill for Cassidy, ridden some through the lane, final three furlongs in :12.1 and :37.1, just average under the circumstances. Unplaced in his last four starts, probably would appreciate a class drop. VIDEO: |
| 5 | 5 | Shazier | Mike Smith | Carlo Vaccarezza | 7/2 |
| 3/5 | SA | 4f | :48.3h | B- | Worked inside Pro Bono (same time) and was going the easier of the two, :48.4 on our watches, not too bad for a grass specialist. May improve but needs to be realistically spotted. VIDEO: |

Race #7 - San Simeon S.

Stakes - 6F T

FOR FOUR-YEAR-OLDS AND UPWARD. By subscription of \$100 each to accompany the nomination, closed Thursday March 4, 2021 with 13 or supplementary nomination, closed with 1 [Shashashakemeup] of \$2,000 due at time of entry. \$750 to enter and an additional \$750 to start with \$100,000 guaranteed of which \$60,000 to the winner, \$20,000 to second, \$12,000 to third.

| PGM | PP | RUNNER | JOCKEY | TRAINER | M/L |
|-----|------|-------------------------|------------------|------------------|--|
| 1 | 1 | Barristan The Bold [GB] | Abel Cedillo | Mark Glatt | 15/1 |
| | 3/4 | SA 5f | 1:00.4h TT | B- | Solo training track drill for English-bred gelding, ridden pretty good through the lane, final three furlongs in :11.3 and :35.4 for Glatt, decent enough. Was a useful European handicapper a few years back, probably needs to shake off some rust and race himself into shape, been away for more than a year. VIDEO: |
| 2 | 2 | Gregorian Chant [GB] | Juan Hernandez | Philip D'Amato | 7/2 |
| | 3/7 | SA 5f | 1:02.1h TT | B | Slowish five furlong training track drill for D'Amato, breezing throughout and finishing with plenty left, final three furlongs in :12.2 and :36.2, smooth and easy. Went much faster the last time we saw him but actually looked a bit better today. Probably most comfortable as a late-running turf sprinter. VIDEO: |
| | 3/1 | SA 5f | :59.1h TT | B | Broke off several lengths behind Rakassah (5f, 1:00.1h TT) and closed the gap under urging through the lane but couldn't catch workmate, splits of :11.3, :23.2 and :47.3 for the final half mile while perhaps losing a bit of his steam late. Fast final clocking for sure but was given a bit too much to do to catch fast workmate. Needs turf. VIDEO: |
| 3 | 3 | Bob and Jackie | Drayden Van Dyke | Richard Baltas | 4/1 |
| | 3/6 | SA 4f | :49.4h | B- | Blinkers, shadow roll, solo half mile main track drill for Baltas, changed leads on cue this time and finished under mild late coaxing, splits of :25.1 and :50 flat on our watches, okay drill for turf specialist. Ran well in debut sprinting and is scheduled to shorten up in the San Simeon Stakes next time out. Somewhat intriguing. VIDEO: |
| | 2/25 | SA 5f | 1:02.1h | B- | Blinkers, shadow roll, worked outside Special Mission (5f, 1:02.4h) for Baltas, breaking off a length behind and then going on by in the final furlong without undue pressure but very rough changing leads, splits of :24.1, :36.1 and 1:02.1. Wants grass, seems okay, but the lead change was ugly. VIDEO: |
| 4 | 4 | Sombeyay | Flavien Prat | Peter Miller | 4/1 |
| 5 | 5 | Cistron | Umberto Rispoli | John Sadler | 7/2 |
| | 2/4 | SA 5f | 1:01.2hg | B- | Saw him last month with maiden-claiming level 3yo Winhappy (same time) for Sadler and trailed by a few lengths early before being asked into the turn and closing the gap, then was head-and-head when eased up after five furlongs, splits of :25 flat (urged hard), :36.3, :48.1 and 1:01.2, coasting to the wire in 1:14.1. Seemed rusty during the early stages but then picked up some steam and actually finished okay and galloped out well enough. Hard to judge, been away since May, won the San Simeon last year off a similar long layoff so maybe he's just not very willing in the a.m. VIDEO: |
| 6 | 6 | Shashashakemeup | Ricardo Gonzalez | Peter Miller | 12/1 |
| | 2/25 | SA 6f | 1:13.4h | B+ | Worked six furlongs on the main track by himself for P. Miller and was never asked a drop and looked fine. splits of :25.3, :37.3, :49.1 and 1:13.4, plenty left. Holds his form, isn't a quick-actioned type and doesn't necessarily strike us as a turf sprinter; was a distant runner-up in the Palos Verdes S. (on dirt) last time out and is holding his edge. VIDEO: |
| 7 | 7 | Jolie Olimpica [BRZ] | Mike Smith | Richard Mandella | 3/1 |
| | 3/7 | SA 4f | :46.1h | B | Broke off several lengths behind Sweet Tea (4f, :47h) in main track drill for R. Mandells and was ridden through the stretch to finish-head-and-head (workmate just coasting, eased up late), splits of :11.2, :22.43 and :46.2 on our watches. Good move but perhaps not as impressive as final time might indicate. Clearly more comfortable on grass. VIDEO: |
| | 2/27 | SA 6f | 1:14.2h | B- | Worked outside Royal Ship (same time), breaking off a length behind but couldn't quite match strides in the final furlong, not asked much but neither was 'Ship. splits of :25 flat, :37 flat, :49.1 and 1:14.3 on our watches, not too bad considering she's a grass horse and her workmate is really, really good. Most effective as a turf sprinter and probably will tackle the boys in the San Simeon S. next time out. VIDEO: |
| 8 | 8 | Sparky Ville | Ruben Fuentes | Dan Blacker | 15/1 |

Race #8 - Beholder Mile S.

| 2 | 2 | Golden Principal | Juan Hernandez | Bob Baffert | 8/1 |
| | 3/6 | SA 5f | 1:00.1h B+ | Worked inside Crystal Ball (same time) for Baffert. splits of :24 flat, :36 flat (in hand) and 1:00.1 to the wire (light coaxing only, workmate under some urging) before continuing out to 7/8 pole, up in 1:13 flat on our watches. Nice drill for both (especially 'Principal), was good second in Santa Monica S. and seems set to stretch out again. VIDEO:  | |
| 3 | 3 | Harvest Moon | Flavien Prat | Simon Callaghan | 5/2 |
| | 3/6 | SA 5f | 1:01.2h B+ | Solo five furlong drill for Callaghan and was just galloping in easy drill looking quite good, final half mile in :24.1 and :48.2, never asked a drop. Away since the BC Distaff in November (finished a good fourth) and has a chance to mature into an outstanding 4-year-old. VIDEO:  | |
| 4 | 4 | Sanenus [CHI] | Umberto Rispoli | Michael McCarthy | 4/1 |
| | 2/27 | SA 5f | 1:00.3h B+ | Worked inside Smooth Like Strait (same time) for M. McCarthy and may have been a tad second best, neither one asked much, final half mile in :23.3 and :47.3. Romped in the La Canada S.-G3 in January and has held her edge in the interim. Scat Daddy mare will get tested in the Beholder Mile.-G1. VIDEO:  | |
| 5 | 5 | Miss Stormy D | Tyler Baze | Carla Gaines | 20/1 |
| 6 | 6 | As Time Goes By | Mike Smith | Bob Baffert | 4/1 |
| | 3/7 | SA 4f | :47.4h B+ | In blinkers, worked outside Ax Man (same time) for Baffert and was slightly best in sharp style, splits of :24.2 and :47.4 before the pair continued out an extra furlong to 7/8 pole, up in :59.4 on our watches, quite good. Gives us the impression that the farther she's asked to run, the better she'll be. American Pharoah filly from Take Charge Lady should be formidable in stakes competition. VIDEO:  | |
| | 2/20 | SA 5f | :59.4h B+ | In blinkers. solo five furlong main track drill for Baffert, splits of :23.1 and :47.2 to the wire before continuing out with plenty left in :59.3 to the 7/8 pole on our watches, very nice drill while maintaining her form. May tackle the big girls in the Beholder S.-G1 next time out.  | |
| 7 | 7 | This Tea | Abel Cedillo | George Papaprodromou | 30/1 |
| 8 | 8 | Clockstrikestwelve | Tiago Pereira | Jonathan Wong | 20/1 |
