VIDEO:  | |
| | 4/9 | SA 5f | 1:00.1h B+ | In three horse team drill between Wings of an Angel (outside, 5f, 1:01.3h) and Moreavino (inside, 5f, 1:00.2h) and was clearly best without being asked much at any stage, splits of :24.1, :35.3 and 1:00.2, plenty left late for R. Mandella. Been away since last summer (finished second up north, was a voided claim) and appears to be returning in good shape. Getting fit, eligible to be waiver protected. VIDEO:  | |

Was rusty in comeback and had a bit of trouble, probably prefers turf. VIDEO: | |

McCarthy and was understandably second best though not really being asked much (workmate breezing), final three furlongs in :11.2 and :36 flat, the pair coasting late. Been away, returns as a first-time gelding and could be a bit better this time around. Has state-bred conditions. VIDEO: | |
| 6 | 6 | Table for Ten | Flavien Prat | Philip D'Amato | 2/1 |
| | 4/18 | SA 5f | 1:01.1h TT B | In blinkers, in a three-horse team drill on training track for D'Amato inside Witch Moon (same time, in the middle) and Pythagorean (same time, outside) and did well while slightly best over 'Moon without being asked much, splits of :12 flat and :36 flat for the final three furlongs. On edge, should fire a big shot in his second start off a layoff stretching out. VIDEO: | |

| | 4/18 | SA 4f | :48.2h B | Solo half mile drill for S. Knapp, looking quite good and breezing most of the way, asked a tad late, finishing with plenty left, final three furlongs in :12 flat and :36.2. Maintains her form, suspect she's a tad better on dirt than turf. VIDEO: | |
| 6 | 6 | Race Judicata | Jessica Pyfer | Philip D'Amato | 5/1 |
| | 4/11 | SA 5fq | 101.3h B | Worked out side Lucky Long Legs (same time) for D'Amato, splits of :24.2, :36.2 and 1:01.4 on our watches, breezing throughout while appearing sharp and happy while head-and-head at the wire. Seems an improving type after breaking her maiden vs. modest claimers in game fashion last time out. VIDEO: | |

Maiden Special Weight - 6F D

FOR MAIDENS, THREE YEARS OLD AND UPWARD. Three Year Olds, 118 lbs.; Older, 126 lbs..

| PGM | PP | RUNNER | | | JOCKEY | TRAINER | M/L |
|-----|------|---------------|----|---------|-----------------|---|------|
| 1 | 1 | Money Mike | | | Juan Hernandez | Bob Baffert | 5/2 |
| | 3/24 | SA | 5f | 1:12.2h | B+ | In blinkers, worked inside Defunded (same time) for Baffert and did quite well though slightly second best while traveling out to the 7/8 pole, final half mile in :11.3, :35.2 and :48.1, easy most of the way before being asked a bit past the wire. Excellent work for yet-to-start son of Into Mischief. Should be fit enough to debut soon and it will take a decent colt (at least) to beat him. VIDEO: | |
| | 3/18 | SA | 5f | 1:00.1h | B+ | Broke off a couple of lengths in front Cezanne (5f, 1:00h) for Baffert and wound up head-and-head at the wire, never really asked much (workmate urged in the final furlong to close the gap), excellent drill with splits of :24.3, :36.1 and 1:00.1. Wasn't asked to show much speed (note slow opening quarter) but certainly could have gone much quicker if permitted. Getting cranked up, very nice prospect, for sure. VIDEO: | |
| 2 | 2 | Flightline | | | Flavien Prat | John Sadler | 8/5 |
| | 4/18 | SA | 5f | 1:00.1h | A- | In company outside Eagle Chief for Sadler and was under severe restraint while rank during the opening stages, settled midway and then drew away in powerful fashion without every being asked, splits of :24 flat, :36.1 and 1:00.1 to the wire, then galloped out six furlongs to 7/8 pole in 1:13.1 without taking a deep breath. Hard to say what he'll be capable of doing when turned loose. Tapit colt from the high-quality race mare Feathered really looks the part. VIDEO: | |
| | 4/11 | SA | 5f | 1:01hg | B+ | Tapit colt was under a nice hold every step of the way while looking strong and sharp and never being permitted to show his best speed, splits of :24.2, :36 flat, 48.1 and 1:01 flat, a ton left at the end. Exciting prospect for Sadler, cost \$1 million as a yearling. VIDEO: | |
| 3 | 3 | Secret Weapon | | | Umberto Rispoli | Simon Callaghan | 5/1 |
| | 3/20 | SA | 4f | :48.3hg | B | Gate work in company with Your Royal Coil (5f, 1:01hg) for Callaghan and was best with splits of :25 flat, :36.2 and :48 flat, not asked much but late switching leads after entering the stretch. Not a speed type but can roll once in motion. Suspect he'll need a race or two sprinting to figure things out and then develop as the distances increase. Decent sort of prospect by Candy Ride. VIDEO: | |
| | 3/13 | SA | 5f | 1:00.4h | B | Broke off about six lengths behind Lost in Space (same time) and easily caught workmate in the final furlong without ever being asked a drop, final half mile in :23.1 and :48 flat though very late changing leads. Clearly has plenty of talent, acts like a distance-type. Getting fit, hope he can smooth out his lead changes. VIDEO: | |
| 4 | 4 | Naismith | | | Jessica Pyfer | Richard Mandella | 6/1 |
| | 4/18 | SA | 5f | 1:00.3h | B- | In company inside Petruccio (same time) for R. Mandella and was well off the rail entering the lane after being a bit rank early, appeared to be going the better of the two approaching the wire but then had to be asked while continuing out to the 7/8 pole while drifting several lanes off the rail despite pressure, splits of :11.4, :36.2 and :49 flat for the final half mile. Not the easiest of rides, it would appear. Needs experience. VIDEO: | |
| 5 | 5 | Epidemic | | | Tiago Pereira | Ryan Hanson | 10/1 |
| 6 | 6 | Brutto | | | Abel Cedillo | Bob Baffert | 4/1 |
| | 3/31 | SA | 5f | :59.1hg | B- | In blinkers, worked outside older Justinian (5f, :59hg) for Baffert and wound up about a length back when eased up at the furlong pole, splits of :23.4, :35.2, :47.1 and :59.3 on our watches, not bad but appearing a bit green and hard to handle during the early stages and then again entering the lane. Has ability but may not be ready just yet, at least mentally. VIDEO: | |
| | 3/22 | SA | 4f | :47h | B+ | In blinkers, worked inside high class Medina Spirit (5f, :59h, out to 7/8 pole) for Baffert and did quite well while actually working a full five furlongs, second best to 'Medina by about a length when eased up but good nonetheless for a maiden, splits of :23 flat, :47.1 and :59.2 on our watches, nice hold most of the way. Like the way this son of Nyquist moves. Getting fit, must follow. VIDEO: | |
| 7 | 7 | Winhappy | | | Ruben Fuentes | Antonio Garcia | 30/1 |
| | 4/17 | SA | 4f | :47hg | B | Gate work outside Team Merchants (5f, :59.4hg) for A. Garcia and went stride-for-stride without being asked much, splits of :23.4, :35 flat and :47 flat, very nice for low profile connections. Runhappy gelding can run and could be a threat vs. maiden claiming types after being virtually eased vs. a stakes-quality maiden field in his debut. VIDEO: | |

Has never looked better, bred to run long and should get that chance next time. VIDEO: |
| | 4/11 | SA 5f | 1:00.3h TT | B+ | In blinkers, solo training track drill for D'Amato, extra sharp while finishing under a nice hold, final quarter mile in a smart :23.4. Stepping forward, would love to see her as the controlling speed going long. VIDEO: |

| | 4/16 | SA 5f | 1:02.1h | B- | Picked her up at the three furlong pole and was breezing to the wire before being asked out to the 7/8 pole, splits of :12.2, :37.1 and :49.4 on our watches (galloped out to 3/4 pole nicely in 1:03.3. Freshened since maiden claiming win in January, seems to be on the upgrade for P. Gallagher. VIDEO: |

Now seven and always has had his issues but seems to be returning well and should make the entries soon for Baffert. VIDEO: |
| | 3/29 | SA 5f | :59.3h | B+ | Worked inside Defunded (same time) for Baffert and may have been a tad second best, head-and-head to the wire without being asked and then being pushed out to the 7/8 pole to be a head back at that point, splits of :11.3, :35.3 (to the wire) and and :47.4 for the final half mile of a good-looking drill. On the comeback trail, been away since the fall of 2019 but seems to be willing and healthy. VIDEO: |

Despite the fancy final time, this move was a tad disappointing, looked very much like the same Justinian as before. VIDEO:  | | |
| | 3/31 | SA | 5f | :59hg | B | In company in gate drill inside Brutto (5f, :59.1hg) and did well as he usually does in the a.m. for Baffert, splits of :23.4, :35.2, :47 flat and :59 flat before galloping to the wire in 1:12.4 on our watches.
